

Capacity Development Program for Examination Branch Officers

Salim Habib University's Quality Enhancement Cell (QEC), in collaboration with the Sindh Higher Education Commission (HEC), organized a **One-day Capacity Development Program for Examination Branch Officers** on **January 2, 2026**. The workshop focused on strengthening examination governance and improving quality assurance practices across public and private sector universities. The session was conducted by **Dr. Abdul Wahid Usmani**, Director QEC at **Jinnah Sindh Medical University**.

The event was attended by **Mr. Jawed Ahmed**, Controller Examination at **Hamdard University**, and **Syed Waqar ul Hasan**, Director QEC & Regulatory Affairs at Salim Habib University. The program provided a platform for sharing best practices and enhancing collaboration, as reflected in the event photographs.
