

One-Day Refresher Training on University Rankings, SDGs & Sustainability Rankings

Salim Habib University's **Quality Enhancement Cell (QEC)**, in collaboration with the **Sindh Higher Education Commission (SHEC)**, successfully organized a **One-Day Refresher Training on University Rankings, SDGs & Sustainability Rankings** on **June 11, 2026**. The session focused on enhancing participants' understanding of university rankings, Sustainable Development Goals (SDGs), and sustainability measures.

The training was conducted by **Dr. Abdul Wahid Usmani, Director, Quality Assurance, Jinnah Sindh Medical University**, who shared valuable insights into ranking methodologies and sustainability practices. The session contributed to strengthening institutional awareness and supporting SHU's commitment to **quality enhancement and continuous improvement**.
